Hub Pen Recognizes Multi-Line Reps Tim and Pete Rosica

Braintree, MA, August, 2017 – Brothers Tim Rosica of Rosica Marketing and Pete Rosica of Rosica Promotions joined Hub Pen’s team of multi-line representatives last spring representing the company in the mid-Atlantic states of Delaware, Maryland, Virginia, West Virginia and the District of Columbia. Both brothers have volunteered for the VAPPA (Virginia Promotional Products Association) and CPPA associations.

Tim has been a multiline rep in the promotional products industry for 21 plus years and started Rosica Marketing over 10 years ago. He was named one of PPB’s Best Multi-Line Reps of 2016 as well as CPPA’s (Chesapeake Promotional Products Association) Multi-line Rep of the Year for both 2015 and 2016. Stephanie Petrella of Remline in Newark, Delaware said, “Remline loves Tim Rosica, simply put! Then add to it the best pen supplier in the industry: You can’t go wrong with Tim and Hub.”

Pete Rosica - 16 years in the industry - has received several Multi Line Rep of the year awards, most recently for the regional associations CPPA and SAAGNY. The Dutton Team at Summit Marketing (Silver Springs) had this to say about Pete: "He has always been one of the best salespeople we work with and we have worked with him for many years. A lot of people can sell, but not everyone can take a challenge and work it through to a good solution. Pete is always ready to help out with spec samples, virtual proofs and other innovative ways to increase sales with our clients, and his help has been an integral part of our success in increasing our business over the years"

Since Hub Pen teamed with Beacon Promotion earlier this year the brothers have heard nothing but good things about the New Ulm Minnesota promotional powerhouse. “Beacon has been prompt and thorough when it comes to responding to a customer's needs. That helps a rep out in the field tremendously knowing we have that kind of support,” Tim said. “Together with Hub Pen, Beacon gives us an outstanding mix of products to show to our clients and we couldn't be happier repping these two great companies!”

About HUB:

Boston has been described as the “Hub of the Universe” and in the Hub Pen story the same holds true.
