HUB Multi-Line Reps Now Carrying Beacon Products

Braintree, MA, March, 2017 – Did you know that Hub Pen’s multi-line reps also represent Beacon Promotions. Many of our talented reps have been working with Beacon for years and are excited that Hub is joining forces with one of their favorite suppliers.

Lisa Bennett of Chicago is one such rep. “Most of our customers were familiar with Beacon but they all remark on what a great team Hub/Beacon will make. Hub has a reputation for the best customer service in the industry and Beacon has a vast assortment of products so it’s the best of both worlds,” she recently said. “As a multi-line rep I love being able to help with projects I may not have been considered for before. Beacon has so many product categories that it makes the presentations fun too!”

Sharon Wohlleber of Texas had this positive experience. “Just presented to several different PROforma owners. I was just getting going on the Online Release Program, and one of the owners spoke up and endorsed how easy the program was to use. She actually did my presentation for me! It was hilarious. Every time I tried to make a point she beat me to the punch! She covered everything. For once I was speechless!”

Gerard Schifano who has been working with Beacon rep Sharon Schiffelhuber in his territory of New Jersey, and southern New York said he is “absolutely ecstatic” our teams are working together. “I applaud the fact that two giants in our industry can come together to join forces,” he said. “It’s refreshing to uncover customers that have been so loyal to Beacon Promotions over the years and vice versa for Hub customers to Beacon.”
