Hub Pen Hires Account Manager Bjanka Andov

Braintree, MA, April, 2017 – Hub Pen Company and Beacon Promotions are proud to announce the addition of account manager Bjanka Andov to their inside sales team. Bjanka came to Hub Pen with almost ten years of account management experience in the telecommunications market. A Bosnian native and former resident of Germany, she moved to the US with her family nineteen years ago. Her father Pavle came to work with Hub Pen, running the warehouse until his retirement in 2012.

“I have seen the company grow and prosper over many years. It is amazing to see that so many people have been with Hub for such a long time,” Bjanka remarked. “You really feel as part of the team from day one. I have learned so much since I came here, and I feel grateful to have so many great co-workers to learn from.”

Bjanka has two small children who keep her busy while not at Hub, a four year old girl and one year old boy. “Work does not stop when I get home, but when I do catch some time to myself, I enjoy a Barre or Zumba workout. I also love cooking and listening to music.”

“Bjanka is a terrific addition to the Hub Pen/Beacon Promotions Team,” said National Sales Manager, Andy Arruda. “We have a tremendous sales team and she fits right in with her enthusiasm, intelligence and pleasant personality. We are lucky to have her!”
